

Manning's School

EXTRA- CURRICULAR ACTIVITIES

Academic subjects and extra-curricular activities complement each other and develop a well-rounded, socially skilled, and healthier student. It is with this sentiment in mind that the Manning's School has **mandated** that **ALL** students become a member of an extra-curricular activity offered by the institution. Below you will find a list of our many offerings. We look forward to seeing our new set of students eager to join one or two of our teams, clubs or societies.

DESCRIPTION

4-H Club

The Manning's 4-H Club seeks to mobilise, educate and train youths in leadership and vocation skills through the effective deployment of staff and volunteer, utilizing adaptive technologies. This is to influence trainees to develop sustainable livelihoods and become positive contribution to national development.

Students' Council Society

The Student' Council is a students' advocacy society which advocates for the protection of the rights and enhancement of the welfare of students while highlighting their responsibilities. Thus are motivated and empowered to demonstrate positive values and attitudes.

The Manning's School Reading Club

The Manning's School Reading Club is an awareness and academic enhancement club created to encourage students of the institution to develop their enthusiasm for reading while adding to their knowledge of literature and current events.

Inter School Christian Fellowship (ISCF)

The Manning's Inter-School Christian Fellow club seeks to let the students know more about Christ and community service while developing their leadership skills.

Girl Guides Association

The Girl Guides enables girls and young women to develop their fullest potential as responsible citizens of the world.

El Club de Español

The Spanish Club helps to create opportunities for students to develop their linguistic potential in order to confidently cope in a society that requires the knowledge and use of Spanish

Manning's School Environmental Club

The Environmental Club seeks to promote environmental awareness among young people. This club aims to encourage youths to become advocates of the environment and facilitate participation in environmental projects as well as promote cleanliness among students.

The Art and Photography Club of Manning's School

The Art and Photography Club of Manning's School aims to maximize students full artistic potential in their skilled area.

The Manning's School Writers Club.

The Manning's School Writers Club facilitates skill development and academic enhancement. The club's goal is primarily directed at fostering the art of writing among members as well as to support and encourage non-member writers within the school's population.

Mr. J. N. Williams JP. Extra- Curricular Coordinator

The Peer Counselling Society

The mission of the Peer Counselling Society is to nurture a team of student volunteers dedicated to helping other students experiencing any kind of emotional problems.

Leo Club

Through the Leo Club Programme, young people serve as positive agents of change within their communities. These young leaders develop valuable leadership skills, make new friends and have fun.

The Manning's Chorale

The Manning's Chorale serves as an extension of the school in which academic scholars are given platforms for developing vocal and instrumental talents while being the best and representing this noble institution.

Interact Club

The Interact Club seeks to promote its motto "Service Above Self" through activities geared towards charity while developing and enhancing leadership skillsets.

Key Club of Mannings

The Key Club offers students opportunities to provide service, build character and leadership skills through its motto "Caring, our way of life"

The Quiz Club

The Quiz Club aims to prepare students from all year groups to be competitive at scholastic quiz and be eligible for selection for the School's Challenge Quiz competition and other related events.

The Science and Technology Society

The goals of the Science and Technology Society includes fostering a culture of science in students at an early age, through the sensitization to the scientific method and its relationship to technology. In addition, it also provides supportive activities that will enhance knowledge and understanding of science and technology and their application in schools and communities.

The Business Club

The Business Club aims to create an environment in which members are able to harness their entrepreneurial talents and use their creativity to propel innovation and business ideas.

Mathematics Club

The Mathematics club aims to foster a community of students around a common interest in Mathematics.

Tourism Action Club (TAC)

The aim of the TAC is bring awareness to our students about the tourism sector and the hospitality industry while developing their own practical hospitality skills.

Manning's United Nations Club (MUNC)

This is an educational simulation and/or academic activity in which students can learn about diplomacy, international relations, and the United Nations. MUN involves and teaches participants research, public speaking, debating and writing skills, in addition to critical thinking and leadership.
